

## Insulation Contract Amount \$1,100,000

The Hollywood Casino at Kansas Speedway has been ranked as the second largest construction project in the entire Kansas City metro area. Total value placed for the casino is around \$411 million.

The first phase of Hollywood Casino at Kansas Speedway includes a state-of-the-art casino and is expected to open in early 2012 with 2,300 slot machines, 61 gaming tables and 25 poker tables on a 100,000 square-foot gaming floor. Hollywood Casino at Kansas Speedway will also feature 28,000 square-feet of other amenities including restaurants, clubs and night-life attractions. The addition of the Hollywood Casino at Kansas Speedway is estimated to bring nearly 440,000 tourists per year and created 1,050 full time positions; elevating the state to a first-class, year-round tourist destination.
